

THE BEAVER HERALD.

Vol. XVII.

BEAVER, BEAVER COUNTY, OKLAHOMA TERRITORY, THURSDAY, APRIL 14, 1904.

NO. 43

LOCAL NEWS.

Children's ready-to-wear garments at J. W. Webb's.

Dr. A. B. Tull, the well known and reputable dentist, of Oklahoma, will be in Beaver for two weeks, commencing April 15. See him at White House Hotel.

C. H. Tyler is here this week from Oklahoma City. He accuses the Herald of misrepresenting conditions in the way of green grass. It looks green to us, Mr. Tyler.

Blanche Stedman, who has been attending the Beaver school the past winter, went home this week on account of the prevalence of measles and scarlet fever in and about town.

Section 2345—2346—2347 of Revised Statutes of Oklahoma, makes such conduct highly penal and subjects the party guilty of same, to imprisonment not exceeding one year or a fine not exceeding \$2000.00 or both.

In view of this fact, the Board of Health of Beaver County, O. T., by virtue of the authority of law in said Board vested, give notice that any person or persons who are afflicted with Scarlet Fever, Smallpox, Measles or any other dangerous or contagious disease, who knowingly or wilfully or carelessly expose themselves in any place, public or private, where persons are liable to contract said disease, or any person who has been exposed to any of said diseases shall willfully, knowingly or carelessly associate publicly or privately with the citizens of the county, concealing same before the time of development of said disease will be prosecuted to the full extent of the law.

And we request all the citizens of the county to aid and assist the Board in enforcing the law in order to protect the life and health of yourself and neighbors.

And all citizens of the county are requested to report any violations of the laws of health of the Territory and to report any case of either of the above named diseases in your neighborhood coming within your knowledge, to either of the following named health officers for investigation.

Mr. Rachel Boggs has rented her city residence to H. M. Bullock and will move out to her farm where she can raise chickens and garden to her heart's content.

Mrs. L. M. Larsen received word last week that a sister of Savannah, Illinois, had passed away quite suddenly. The news came as a shock to Mrs. Larsen. She has many friends who sympathize with her in her grief.

The White House hotel is greatly improved in appearance since it has been remodeled. The dining room and office are nice, large, bright rooms and are much appreciated by the patrons of the house.

When building you want to build substantially. You will find the best material at Craig Brothers, Liberal.

Dr. L. S. Mansell made several quarantines in cases of scarlet fever, in the vicinity of Kokoma, last week.

George Lyman is having a house built on his farm, adjoining the town site.

Dr. J. W. Tharp has moved into the building recently vacated by the Loveless confectionery.

Now is the time when you farmers will all need blacksmithing. D. M. Kile can do it for you satisfactorily.

John Loveless is now installed in his new building and has a neat looking establishment.

H. P. Garrett put in the burglar alarm system for the Bank of Beaver City, this week.

Come early so I may be able to give you your proper attention. Do not neglect your teeth. Dr. A. B. Tull.

Mrs. Vena Judd who has been absent from town for several months returned this week to remain.

Miss Vivian Welborn was quite sick a few days the first of the week but is now all right again. Measles or scarlet fever were at first feared.

"Satisfaction guaranteed or money refunded," is what Dr. A. B. Tull, dentist, says. At Beaver two weeks, commencing April 15.

Mr. and Mrs. B. F. Long, of Clear Lake, are the parents of a charming little daughter, who arrived at their home Tuesday of last week.

Wesley Lane, representing the Vermont Monument Company, of Hutchinson, Kansas, was in Beaver and vicinity this week soliciting orders. Mr. Lane was formerly a printer as of course could not help dropping into our sanctum for a few minutes. A printer always feels at home in the print shop.

Williamson Brothers, who cut such a wide swath in Beaver for a very short time departed for parts unknown last week and left us all holding the bag. Beside leaving a lot of debts behind the boys got off with mortgaged property and if they are captured it will go hard with them.

T. J. Judy and sons were in town Monday. Mr. Judy and family will leave for Kansas about the 20th Inst. He will ship his stock to that place.

Mr. Judy has resided in this county for many years and had almost become a fixture. While we regret to have the family leave, we wish them all kinds of success in their new home.

Some remodeling is taking place at F. P. Madison's store this week. The partition between the store and C. O. Tannehill's office is being removed and the building will be turned into one big room. This will give Mr. Madison more space in which to display his big stock. Mr. Tannehill will move his real estate office to one of the upstairs rooms of the Gift building.

J. H. Thomas, assessor, has completed the assessment and census of Beaver township. The records show quite an increase in population but not a material increase in valuation. This is partly due to the low valuation placed on stock. The township boards will meet as a Board of Equalization Monday April the 23rd, to hear and adjust any complaints. Persons who are not satisfied with their assessments had better appear as the action of the Board is final.

The person who borrowed F. P. Madison's wagon and forged to return it will receive a heavy bill for his trouble.

John Rauwell, Ernest Howe and A. Stangler were all up from the Kiowa the first of the week. Mr. Stangler made flour, soap and the other gentleman wrote his wages.
